## DADDY KIRK'S BIBLE TRIVIA

**LAST WEEK'S QUESTION AND ANSWER**  
As described in the Bible, how many wings did a Seraph have (and what is a Seraph, anyway)?

**ANSWER: C. Six (Isaiah 6:2)**

**A Seraph is an angelic being, according to Isaiah 6:2, having six wings. Two wings covered their face, two covered their feet, and the remaining two were for flying. The plural form is seraphim. Although both Jewish and Christian art and literature depict seraphim in varying ways and ascribe to them notable responsibilities and authority, the only two biblical references to seraphim are found in Isaiah chapter 6.**
