### SOWING THE SEED *The Seed Principle*

The seed principle is taken from Luke 8:11, "Now the parable is this; The seed is the word of God.

not a "purpose driven "model;  
 not a "come-as-you-are" model;  
 not a "touchy-feely" model;  
 not a "mega-church" model;  
 not a "community church" model;

but a biblical model that projects exclusive reliance on the strength of the word of God as the vital seed that must be planted into "honest and good hearts." Only that model will please God and accomplish what he wills (John 9:4; II Tim 2:4).
