

Walker's Wanderings

Forgive Me When I Whine

Today upon a bus I saw a lovely maiden with golden hair;
 I envied her-so beautiful and how I wished I were so fair;
 When suddenly she rose to leave, I saw her hobble down the aisle:

She had one foot and wore a crutch,
 But as she passed she wore a smile
 Oh, God forgive me when I whine,
 I have two feet-the world is mine!

And when I stopped to buy some sweets,
 The lad who served me had such charm;
 He seemed to radiate good cheer, his manner so kind and warm;
 I said, "It's nice to deal with you, such courtesy I seldom find,"
 He turned and said, "Oh, thank you sir."

And then I saw that he was blind.
 Oh, God forgive me when I whine, I have two eyes, the world is mine.

Then when walking down the street,
 I saw a child with eyes of blue;
 He stood and watched the others play,
 It seemed he knew not what to do.
 I stopped a moment, then I said,
 Why don't you join the others, dear?
 He looked ahead without a word,
 I then realized-He could not hear.

Oh, God forgive me when I whine,
 I have two ears, the world is mine.
 With feet to take me where I'd go,
 With eyes to see the sunset's glow,
 With ears to hear what I would know
 Oh, God forgive me when I whine,
 I am blessed indeed, the world is mine.

I had a week when I felt a little sorry for myself and down about problems going on in my life and around me. I remembered this poem in the middle of the night and after drowning my pillow in tears I asked God for forgiveness. There are several things going on in my life that seemed to cause me to lose my sense of gratitude in recent days. When I look at my life though, I truly realized how blessed I am. One of my greatest blessings on this earth is this Family of believers. As I thought of things going on around me, certainly I can't imagine facing them with out the hand of Jesus to reach out to in prayer. I also though think of the comfort and encouragement I have received from you as God's Family. Thank you so much for it and forgive me when I lose sight of the forest of blessings because of a few trees of trouble that get in my way! I hope you'll have a blessed week! *I love and appreciate you! Don*

HOW TO FORGIVE

Just because the art of forgiving those who injure is one of the finest of the spiritual graces, and because many honest people do not know how to forgive, we offer a few simple suggestions:

1. *Begin by assuring yourself that you have not been seriously injured after all.*
2. *Count up all the favors and kindnesses that have been shown you, even by the person who has injured you.*
3. *Begin to list the mercies you have enjoyed at the hands of God which you did not deserve.*
4. *Offer thanks to God for the spirit of forgiveness with which he has followed you.*
5. *Begin to offer an honest prayer on behalf of the one who has wronged you.*
6. *Begin to look for some opportunity to help him yourself.*
7. *Make a special effort to surprise him with some kindly active service.*

Sunday PM Service
SINGING SERVICE
AND FELLOWSHIP

Isn't it great to sing praises to God together and watch the growth of our young (and young in spirit) men as they lead us! They are growing in so many great ways!

And it is always wonderful to sit down together and enjoy a meal with our brothers and sisters! Don't miss out!!!!

A man can no more take in a supply of grace for the future than he can eat enough today to last him for the next six months, or take sufficient air into his lungs at once to sustain life for a week to come. We must draw upon God's boundless stores of graces day to day as we need it.

-D.L. Moody
